

## Community Outreach Winter BBQ 2009

On the 19th of December 2009 the Hartley's hosted the 4<sup>th</sup> winter barbecue. This initiative was originally developed as a way of getting to know other people who lived on our Street. Each year it has gone from strength to strength, and we catered for 70 people this year. Each year we have been really blessed with the weather and as you can see from the photographs, this year we had the added attraction of the snow. For the three previous years we have asked if people would like to donate a gifts that has gone to Christian family care in Bedford and we have had a generous response. This year the gifts have gone to the Joshua Orphan trust.

Martin, Rach and Honey getting ready

Martin Trying not to burn the burgers

Rach's mulled wine is very popular!

Who's stood in the warmest place!

In the warm, the children are decorating biscuits.

A lovely atmosphere as more people begin to turn up.
